

## **ART EDUCATION 2018/2019 SCHOOL YEAR CALENDAR**

**September-June, Outreach Suitcases** are available for classroom use and contain art objects that students may handle and examine, a teaching guide, images, and lesson plans. Topics include Africa, Exploring American History through Art, Ancient Cultures, Art of Asia, Australian & Oceanic, Book Arts, China, Elements of Art, India, Japan, Modern and Contemporary Sculpture, Northwest Coast Native American, & Philippines.

**October 16, 4-5pm Scholastic Teachers Meeting** for instructors interested in submitting work in the 2019 Regional Scholastic Art Exhibit.

**October 16, 5-7pm Art Portfolio Review & Consultation** for instructors and students interested in learning how to assemble an art portfolio and get ready for the Schack Art Center's annual **Susan J. Russell College Art Scholarship** and the **Scholastic Art Portfolio Awards**. After portfolio guideline presentation, students can meet one on one with the instructor to look over their body of work and discuss what needs to be done to make their portfolio ready for college scholarship consideration.

**October 25, 6-8pm Open Studio Night for Teens** features glass blowing demonstrations, meet & work with local artists, and projects to express students creatively.

**November 2–3, STEAM - Transforming STEM with Art + Design, Fri. 5-8:30pm and Sat. 9-5pm.** Transforming STEM with Art + Design will focus on student engagement through hands-on visual art techniques for working to solve interdisciplinary challenges. Participants will learn ways to enhance their curriculum through visual art, STEM, and the humanities. All activities will connect and align with the WA State Arts Learning Standards, the Creative Process, and Design Thinking. Incorporating Art + Design into STEM will heighten participants understanding on how to empower students to open their imaginations and gain fresh perspectives on the world. Assessment strategies will be discussed and all activities are designed to be class-time efficient. Available for SPU credit/clock hours & Everett SD clock hours.

**November 15, 6-8pm Open Studio Night for Teens** features glass blowing demonstrations, meet & work with local artists, and projects to express students creatively.

**November 17, 8:45am-12:15pm Art Docent Fair: Artists Connected to the PNW Students Should Know** will provide Art Docents with projects that can be taken back to the classroom. Six options will be offered and from those, participants will choose 4 of the 6 sessions to attend. One session will cover "How to Present a Work of Art" with the other five exploring the elements of art through well-known artist's having ties to the Pacific Northwest.

**December 13, 6-8pm Open Studio Night for Teens** features glass blowing demonstrations, meet & work with local artists, and projects to express students creatively.

**January 8, 2–6 pm Scholastic Art Registration Deadline** for Snohomish County teachers submitting individual entries, Grades 7-12 and art/photography portfolio entries for the Susan Jane Russell Scholarship, Rotary of Everett Scholarships & Scholastic Portfolios.

**January 30-Feb. 24, Regional Scholastic Art Portfolios Exhibit.** EYA Gallery: Mon.-Fri., 10-6 pm; Sat., 10-5 pm; and Sun., 12-5 pm.

**February 4–24, ALL AWARD WINNING ENTRIES Regional Scholastic Art Exhibit.** Mezzanine Gallery: Mon.-Fri., 10-6 p.m.; Saturday, 10-5 p.m.; and Sun., 12-5 p.m. Exception: Mon. Feb. 4, 10-9 p.m.

**February 4, 5-9 pm Regional Scholastic Art Exhibit Opening Reception** to honor local student artists.

**February 4, 6:30-8:00pm Scholastic Art Award Ceremony** will be held to honor regional and national award recipients. (Historic Everett Theatre)

**February 21, 6-8pm Open Studio Night for Teens** features glass blowing demonstrations, meet & work with local artists, and projects to express students creatively.

**March 14, 6 pm deadline, Black & White Photography Contest** entries due for Snohomish County 9-12 grade students.

**March. 28–Apr. 30, Black & White Photography Contest Exhibit** features all entries including the winning photographs at the Schack Art Center, 2921 Hoyt Ave., Everett. Mon.-Fri., 10-6 pm, Sat. 10-5 pm, and Sun. 12-5 pm; Awards Ceremony on April 18, 6:00 pm.

**March 21, 6-8pm Open Studio Night for Teens** features glass blowing demonstrations, meet & work with local artists, and projects to express students creatively.

**April 17, 24, May 1, & May 8, 6-8:30 pm Art How2s 2019: Designing Collaborative Creative Learning Experiences**

Visual art interdisciplinary teaching enables students to become creative, confident problem-solvers and makers. In this workshop participants will learn how to facilitate the design thinking process by using their own curriculum to frame their lessons, make connections to other content areas, and acquire techniques for guiding students toward developing the necessary mindset and skills to thrive in today's world. Topics include Discovery and Ideation, Refining Ideas and Working with Constraints, Experimentation and Prototypes, and Presentations as a grand finale. Series offered for SPU credit/clock hours or Everett SD clock hours.

**April 18, 6-8pm Open Studio Night for Teens** features glass blowing demonstrations, meet & work with local artists, and projects to express students creatively.

**April 25–June 8, Exhibit – *STEAM - Transforming STEM with Art + Design*** will feature the region's most distinguished design artists, the Northwest Designer Craftsmen, showcasing works that reflect innovative, real-world applications of science, technology, engineering, and math in the design and creation of Art. Opening Reception: April 25.

**May 16, 6-8pm Open Studio Night for Teens** features glass blowing demonstrations, meet & work with local artists, and projects to express students creatively.

**May 28–June 7 (may add May 20-24 if needed) – *STEAM - Transforming STEM with Art + Design Field Trips*** include 75 minute sessions consisting of a docent led tour, artists in action, and a hands-on activity. The main goal is to guide teachers and students through this interdisciplinary exhibit that celebrates STEAM. Artists will include signage with artworks that details the use of STEM disciplines in design and execution.
